Alexandria, VA 22313-1450RESPONSE TO NON-COMPLIANT AMENDMENT

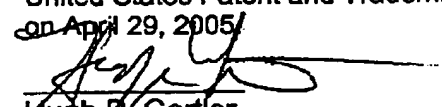

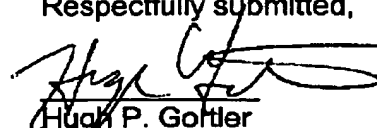

This is a response to the communication dated April 25, 2005. The communication indicates that amendments to claims 4 and 22 should have been made with double brackets instead of single brackets. The attached section for amendments to the claims uses double brackets.

The communication also states that the s-signature did not include forward slashes. This is not correct. The attached cover page, which was retrieved from the USPTO Direct PAIR system, clearly indicates that both signatures use forward slashes (/), not back slashes (\).

Entry of the claim amendments is respectfully requested.

Respectfully submitted,

I hereby certify that this correspondence is
